- Cleaning Utility Room

Utility rooms, including laundry rooms, may not see much foot traffic, but they're essential to include in your Airbnb cleaning checklist. Here's what to focus on:

- Clean the dryer for any trash or lint build-up.
- Wipe down the washer and dryer inside and out.
- Disinfect frequently touched surfaces like knobs, buttons, and doors.
- Shine the sink and clear out the drain.
- Clean windows and blinds if present.
- Restock supplies like laundry detergent and softener.
- Clean laundry baskets and drying racks.
- Dust baseboards and moldings.
- Clean the floors.
- Vacuum rugs and mats.
- Ensure there is no waterlogging.
- Re-Stock
